> Bootie Construction	> Full Length Plate	> Water-Resistant Treatment	
> Engineered Mesh	> Removable Spikes	> Unisex (BW7, PP7, WB7)	

Lightweight. Breathable. Aggressive. The New Balance LD5Kv7 is inspired by the fastest distance runners on the track, offering the perfect balance of structure and speed. A new engineered knit upper offers a minimal look and superior performance, with extra breathability and drainage perfect for the steeplechase. NB designed this runner with a new collar for a sleek and snug fit around the heel for added security in the most active race environments.

REV LITE			

Break through barriers with New Balances most aggressive middle distance spike. The new MD800v6 pairs a new full length spike plate with an incredibly lightweight upper for an exceptional ride from 800-3k. The new plate features a standard 6-pin configuration, while a new teardrop shape emphasizes a smooth transition and helps with weight reduction. A bootie construction ensures a secure fit, while a soft internal cage provides structure for maximum performance.
