JERSEY

The image displays three views of a red New Balance basketball jersey. The front view on the left shows a V-neck collar, a white New Balance 'NB' logo on the upper left chest, and a small white tag at the top center of the collar. The back view on the right shows a high, rounded neckline. The side view in the center shows the jersey's profile, highlighting its sleeveless design and the placement of the side seam. The fabric has a fine, vertical ribbed texture.

Four New Balance women's singlets are displayed side-by-side. From left to right, the colors are red, white, navy blue, and black. Each singlet features the New Balance 'NB' logo on the upper left chest. The singlets have a crew neck and a slightly curved hem.

This image shows a full page of a document template. It consists of a series of evenly spaced, horizontal dotted lines extending across the width of the page. The lines are light gray or black, depending on the resolution, and provide a guide for writing without being as prominent as solid lines. There are no margins, headers, footers, or other markings present on the page.

SHORT

Sublimated NB logo

Four pairs of boxer shorts are displayed side-by-side. From left to right, the colors are red, white, navy blue, and black. Each pair features a simple, classic design with a visible waistband and a fly.
